Dear Ted Brassard;

I would to thank you personally for the exceptional work you had done in selling my business. I am still in disbelief of how fast and simplified Business Resource Center SLC had completed the whole sale transaction. I listed the business in February, within days there was qualified buyers looking at the Vending Company and I had full cash offer in weeks. In 8 weeks I was walking from closing with a check. Thank you again and I will definitely recommend other who are looking to buy or sell a business.

Best regards,
